

West Michigan Aviation Academy Technology Use and Internet Safety Policy

It is the policy of the Board to encourage responsible use of technology and to monitor online activities of minors. The Academy shall develop and implement technology use practices and procedures that promote the responsible and lawful use of technology to support and enhance student learning consistent with the Academy's mission and educational goals.

It is the policy of the Board to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act.

The Academy shall use technology protection measures to block or filter Internet access through its computers to inappropriate information. Specifically, the protections measures shall block visual depictions of material deemed obscene, child pornography, or, in the case of access by minors, material harmful to minors.
